

If you are a regular visitor to Ullapool, or have family and friends here, you may already know that the community swimming pool is temporarily closed due to structural defects found within the roof space.

This is devastating news and a huge blow to the community in many ways. Over fifteen years ago the people of Ullapool raised a massive amount of money to help build the pool and now face the challenge of raising funds all over again. It is one of the best pools in the north of Scotland and if you have used it yourself you will appreciate the impact this loss is having on so many people, both residents and visitors.

We are calling on everyone who has links with Ullapool to support our Raise the Roof Campaign by pledging a donation, and you can do this a number of ways:

- Click on the logo below to donate securely via the UTBA Online fundraising page or visit <http://www.justgiving.com/utba>

- Make a Cash donation by calling in to the Leisure Centre
- Cheque, made payable to 'Ullaspool' Lochbroom Leisure, Quay St, Ullapool
- BACs – Account Name Ullaspool, Acct No 00205200, Sort Code 83-28-01 noting your payment reference as “donation” and your name
- Supporting any of the fundraising events that are being held every week in the village

If you are coming to Ullapool in the next few weeks or months please see the **Ullapool News** for fundraising events that are happening each week. You can also keep up to date by visiting the UTBA website www.ullapool.com .

We would also like to confirm that only the pool is closed, the gym and games hall remain open and more dry-side activities have been added to the timetable. See www.ullaspool.co.uk for details .

YOUR HELP AND SUPPORT IS VERY MUCH APPRECIATED
